### What can I do with leftover food?
- If you have too many leftovers, tell us about your event so we can help plan optimum quantities for next time.
- Before your event, email umfood@umd.edu for ways to get in touch with students who will help you donate unused food to hungry graduate students or to area non-profits.

### How can I serve water without providing plastic bottles?
- Ask event attendees to bring their own reusable water bottle.
- In advance of the event, locate the campus bottle refill station closest to your venue and post directions for your guests.

### Is there anything else to consider?
- Think about increasing meat-free options. Vegetarian food is delicious, more environmentally friendly—and not just for vegetarians!
