What can I do with leftover food?
» If you have too many leftovers, tell us about your event so we can help plan optimum quantities for next time.
» Before your event, email umfood@umd.edu for ways to get in touch with students who will help you donate unused food to hungry graduate students or to area non-profits.

How can I serve water without providing plastic bottles?
» Ask event attendees to bring their own reusable water bottle.
» In advance of the event, locate the campus bottle refill station closest to your venue and post directions for your guests.

Is there anything else to consider?
» Think about increasing meat-free options. Vegetarian food is delicious, more environmentally friendly—and not just for vegetarians!
